

Scopus BioPharma's Subsidiary — Duet BioTherapeutics — Announces Key Scientific Data to be Presented at the 37th Annual Meeting and Exposition of the Society for Immunotherapy of Cancer

New York, New York, November 10, 2022 – [Scopus BioPharma Inc.](#) (Nasdaq: “SCPS”), a biopharmaceutical company developing transformational therapeutics for serious diseases with significant unmet medical need, and its pure-play immuno-oncology subsidiary, Duet BioTherapeutics, today announced that key scientific data will be presented at the 37th Annual Meeting and Exposition of the Society for Immunotherapy of Cancer (“SITC”).

SITC is being held from November 8-12, 2022 at the Boston Convention and Exhibition Center in Boston, Massachusetts.

About Scopus BioPharma

Scopus BioPharma Inc. is a biopharmaceutical company developing transformational therapeutics for serious diseases with significant unmet medical need. Duet BioTherapeutics, a majority-owned subsidiary of Scopus, was launched in September 2021 by Scopus BioPharma to consolidate its immunotherapy assets. These assets include three distinctive complementary CpG-STAT3 inhibitors: RNA silencing – CpG-STAT3siRNA – (“*DUET-01*”); Antisense – CpG-STAT3ASO – (“*DUET-02*”); and DNA-binding inhibitor – CpG-STAT3decoy – (“*DUET-03*”). The Company is also developing additional drug candidates and seeking to identify additional compelling technologies for potential acquisition, in-licensing and/or other similar transactions.

Forward-Looking Statements

This press release may include forward-looking statements that involve risks and uncertainties. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are subject to risks (including those set forth in the Company’s Form 10-K for the fiscal year ended December 31, 2020, as amended, filed with the U.S. Securities and Exchange Commission) and uncertainties which could cause actual results to differ from the forward-looking statements. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company’s expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based. Investors should realize that if our underlying assumptions for the projections contained herein prove inaccurate or that known or unknown risks or uncertainties materialize, actual results could vary materially from our expectations and projections. Further, there can be no assurance that the Company will identify and/or consummate any transaction relating to any additional technologies.
